Business Reply Cards (BRCs)

Business reply cards (BRCs) will be accepted on a space-available basis. Cost = Earned frequency rate of ROB island page + 20%. Please consult Production Department for specifications, as cards must be approved for compliance with bindery requirements (submit 5 samples or comp). Client is strongly advised to get approval of cards from the USPS Business

Earned Frequency

Rate is determined by the number of units within a 12-month period (calendar or fiscal). A unit is a page or fraction of a page (e.g., a spread counts as 2 units; a king page or fraction counts as a page). Each page of an insert counts as a unit. Each demographic/regional/split page counts as a unit. Insertions of parent companies and subsidiaries are combined to determine the earned rate. Co-marketed products may select the earned frequency discount of either company.
