

## Veterinary Surgery

**Veterinary Surgery** is a source of up-to-date coverage of surgical and anesthetic management of animals, addressing significant problems in veterinary surgery with relevant case histories and observations. It contains original, peer-reviewed articles that cover developments in veterinary surgery, and presents the most current review of the field, with timely articles on surgical techniques, diagnostic aims, care of infections, and advances in knowledge of metabolism as it affects the surgical patient. **Veterinary Surgery** is the official journal of the American College of Veterinary Surgeons, and the European College of Veterinary Surgeons, and the Veterinary Endoscopy Society.
