Advertising information

Files must be press-optimised PDF files supplied in CMYK for colour ads, and greyscale for black and white, with crop marks. Please indicate the journal, volume and issue to which they should be included. Fonts and graphics must be embedded and all transparencies flattened. Image resolution must be a minimum of 300dpi.

All submitted artwork will automatically be used as repeat copy for repeat bookings unless notification is given to the publisher in advance of all relevant issue artwork deadlines. Please contact your sales representative or the ad coordinator prior to the deadline if submitting new materials. Artwork may be emailed, sent by Quickcut or by FTP. For our FTP details please get in touch with the Corporate Sales team.

Terms and conditions

All advertising is subject to editorial approval. Upon publication, invoices will be sent to agencies/clients and are based on 30 day payment terms. Any cancellations or changes to the original order must be notified to the publisher by the artwork deadline, otherwise withdrawal of the advertisement cannot be guaranteed and the full invoice amount will be charged at the discretion of Wiley.

Changes or updates made to previously submitted material must be resupplied in full with all pages included. While we will do our best to ensure that advertisements received after the advertisement material deadline are included in the relevant journal issue, our ad deadlines run close to the journalschedule, so it may not always be possible to do this. We reserve the right to amend late advertisements if they do not conform to our PDF specifications and do not take responsibility for the quality of advertisements sent after the deadline.
